ACTION

Elections & Special Districts

12. Adopt Resolution 15-21 to approve the Vote Centers as set forth on the attached Exhibits, for all countywide elections beginning in 2016.

Ms. Katie Howard, Elections & Special Districts Director, presented this item using a PowerPoint presentation. Ms. Howard noted that there were three upcoming elections in 2016. She said that on May 19, 2015 the Board had approved the purchase of a new equipment system and authorized the Elections Department to use vote centers and develop a detailed plan where they would be located in the County. She said that after input from the Board and research done by staff she was recommending 18 vote center locations county wide. She listed the reasons why vote centers would be a positive change in the County: they allow voters to vote at any center within the County; they are cost effective and efficient; and they allow Elections to pool their resources and better serve the public.

Ms. Martha Rodriguez, Elections Program Coordinator, used maps to show where each of the vote centers were going to be located. She listed the vote centers: 1 - Douglas; 2 - Bisbee; 3 - Tombstone; 4 - Willcox; 5 - Benson; 6 - Huachuca City/Whetstone; 7 - Sierra Vista West; 8 - Sierra Vista East; 9 - Sierra Vista Central; 10 - Sierra Vista Southeast; 11 - Palominas; 12 - Bowie/San Simon; 13 - Cochise Stronghold/Sunizona; 14 - McNeal; 15 - Webb; 16 - Portal; 17 - St. David; 18 - Mescal/JSix; and highlighted the attributes of each vote center. She noted that vote center 12 - Bowie & San Simon were missing from the presentation, but would be added for future presentations.

Ms. Howard said that the next steps included: voter outreach & voter education; voter registration campaign; obtain signed contracts for each vote center; and begin assembling poll worker boards and train additional staff. She also mentioned some upcoming events in Sierra Vista, Bisbee, and Douglas.

Supervisor Searle said he was concerned about the reduced number of voting locations since the 2008 Presidential Preference election had been a disaster due to cutting polling locations. He asked what had been done or would be done to address this concern, especially long lines.

Ms. Howard said that the main difference is that the County would be pooling resources to ensure there is more equipment, more people, and each vote center will have dedicated IT personnel stationed there to resolve any technical difficulties and added that the tablets would make the process faster and easier.

Vice-Chairman English said that this new change would address provisional ballot issues for those who have voted at the wrong precinct and issues of those who have received the wrong ballots.

Ms. Howard said that she was also researching an application that would show citizens what the wait time is for any given vote center and noted that she is contracting with a

company that prints and mails ballots.

Vice-Chairman English said that voters must also update any information to ensure they receive the correct ballot.

Ms. Howard noted that the voter outreach campaign would not only focus on registering new voters, but also on updating current voter information.

Chairman Call thanked the staff for all their work on behalf of the Board and noted that even though the equipment is state of the art, it has been tested and approved by the State. He noted that the County should also focus on creating reasonable expectations of Election night timelines.

Vice-Chairman English moved to adopt Resolution 15-21 to approve the Vote Centers as set forth on the attached Exhibits, for all countywide elections beginning in 2016. Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

Information Technologies

13. Approve the renewal of the Two Year Capitol Lease Purchase Agreement with Bank of America Public Capital Corporation to upgrade the IP Microwave System for the Information Technologies Department in the amount of \$2,585,488.32.

Mr. Terry Rutan, Senior Buyer, presented this item. Mr. Rutan gave the background on the renewal of a lease agreement. He stated that the renewal for two years and the funding would be used for the County's microwave project.

Supervisor Searle asked if this renewal would have the same interest rate.

Ms. Lois Klein, Finance Director, said that the interest rate was higher, but still a good offer.

Mr. Vlahovich, County Administrator, said that staff was familiar with the terms and loan agency and recommended approval.

Supervisor Searle moved to approve the renewal of the Two Year Capitol Lease Purchase Agreement with Bank of America Public Capital Corporation to upgrade the IP Microwave System for the Information Technologies Department in the amount of \$2,585,488.32. Vice-Chairman English seconded the motion.

Supervisor Searle noted that the reason the County had to use loans to pay for major projects was due to the expenditure limit set forth by legislation, not because they lacked the funds.

Chairman Call called for the vote and it was approved 3-0.

CALL TO THE PUBLIC

Chairman Call opened the call to the public.

Jack Cook addressed the Board on matters of personal concern.

No one else chose to speak and Chairman Call closed the call to the public.

This is the time for the public to comment. Members of the Board may not discuss items that are not specifically identified on the agenda.
